Joshua 1:8-9

(The LORD spoke to Joshua) *"This Book of the Law shall not depart from your mouth, but you shall meditate in it day and night, that you may observe to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success. Have I not commanded you? Be strong and of good courage; do not be afraid, nor be dismayed, for the LORD your God is with you wherever you go."*

REMEMBERING MY DAD!

My Dad taught me **to be respectful** to God, my parents and others. He taught me to be obedient and to work hard. He taught me how to drive a team of horses pulling the hayrack and a little Ford tractor.

Lil F.

My Dad taught me how to do many chores on the farm. As the middle daughter of three, I was designated **to help** Dad. He taught me to drive a team of horses on a wagon, a model A Ford car, later a Buick with the shift on the steering wheel, a tractor at harvest times! He always made sure I attended Sunday School and Church. To have fun times and not all work.

Ferne S.

My Dad **taught me** how to drive a John Deere Tractor and also how to drive a car.

The biggest thing I learned from my Dad recently is that the opportunities I have been given **should not be taken for granted**. He told me that there are many composers ten times older than me who wish they had the same opportunities by meeting with a director of a symphony orchestra and talking about their compositions and even have mine performed!

Ethan H

Dad liked to take us to Triboji beach on Okoboji Lake and we like to go there now!

Dad taught us (me and my brother John) to take good care of our dog and cats.

Frank B.

My dad taught me **how to have fun** outside in the winter—my favorite was being pulled by the tractor on a toboggan. This always meant he participated also.

Michelle L.

REMEMBERING MY DAD!

My dad taught me how to take down buildings, recycle the materials and build a garage. How to lay cement block, shingle roofs, paint a stucco hotel, put on storm windows, cut firewood, build boiler fires, and run the lobby of his hotel....oh and how to blow the fire siren for the city!! He also taught me how to break down an engine, auto or tractor, how to grind valves, how to change oil and coolant, how to change piston rings, how to sweep floors and clean-up parts and tools, and above all how to boil ring baloney in a 4 gallon pail on top of the wood stove in the garage. He did all but never wore his expertise on his sleeve. Working with Pa, a privilege.

Tom K.

My Dad taught us to trust God and weather the storms of life. He loved the Lord and said it. While he was overseas during WWII he wrote to Mom and their four children (ages 5 and under) daily, again and again reminding us of God's love and protection.....believing he would come home again. When one by one, his five kids ended 6th grade we began stocking shelves in his mini-Walmart. We were expected to be there after school and Saturdays by 9. He taught us work ethic. Thankful the light was always on in Dad's house

Sharon K.

My Dad taught me how to farm, the stars, geology and how to raise every kind of farm animal there is and he still does fill me in occasionally! Brian L.

My Dad taught me to do the work and stay in the background . Don't seek the public eye.

Tom A.

My father said the Sexe family has a reputation for **honesty and dependability**. "So you will always tell the truth," he said. When you give your word, it is a contract to be kept and completed. He also said, "You will attend Sunday School and go to church on a regular basis."

Arnold S.

I can remember my dad taking me out to our alfalfa field and taught me how to shift & drive so I could get my drivers license. Dad was also very strict about not working on Sun days. It was time to harvest our wheat and it was a very wet fall and the only time it was dry enough to harvest was on a Sunday afternoon. He did not go out to harvest and then on Monday it began to rain again and he never did get to harvest a wheat crop that year as the grain began to sprout in the head. He took me to Sunday School and church very week. He & I would go to town with our cream and eggs to sell every Fri. and we always had to buy chicken feed in the cloth bags to match Mom's sewing needs. Gene F.

**REMEMBERING
MY DAD!**

My Dad taught me to **work hard** and to be kind to others!.

Marc G.

My Father, in his quiet way, was a good teacher and example as he **lived for Christ** each day. He made sure we were always on time for church on Sundays.

Elna S.

Dad taught me a **strong work ethic** and to finish strong!

Leroy E

Dad always gave hugs! He lets me know he **loves** me. Which was what he didn't receive from his father, so now it is a given and is what my children receive from me. Thanks dad for teaching the importance of a hug and the words that let others know they are loved.

Kolette E.

As I think about my parents, I know I won the lottery for sure! One of the many things I learned from my Dad was always **be kind** to others and realize everyone is carrying heartaches.

Judy G.

I learned **compassion** regardless of the situation. My father was an alcoholic, an addict and often barely scrapped by. He would never hesitate to help another no matter how bad off he was, even if it made his situation worse.

Ron H.

My father taught me **compassion**. Helping others without expecting anything in return is how we all should live our lives

Paul O.

My dad taught me to **have patience and stay calm** —also to have a love of family and a love of the land.

Dale M.

My dad loved pets and taught be to do the same. I have daily reminders of Dad while enjoying our Basset Hound, Speckles.

Shirley M.

**REMEMBERING
MY DAD!**

My dad taught me to **work** hard and accept people for what they are, good or bad

Tom M.

My Dad has taught me **how to work and how to be slow to anger**. He has also taught me to not be judgmental and value everyone regardless of their walk in life.

Jeffrey L.

My Dad taught us to **behave ourselves, be considerate and respectful**. Obey the rules, pitch in and help others. He said, "If you get in trouble in school, you will be in trouble at home." He helped us with our 4-H projects and took time off to help at the fair, in spite of milking, feeding cattle, turkeys, chickens and hogs to feed. He always encouraged our **faith** and made many trips to camp.

Clarice G.

Dad said to "Cheer for the underdog!"

John S.

"My father told me, 'take my words to heart. Follow my instructions and you will live. Learn to be wise and develop good judgement. Don't forget or turn away from my words.
