- Lead Team Hi-lights: A team did a walk-through of the parsonage and made a list of projects to consider. Contractors will be reached out to for bids. The area where the Sunny Days playground was will need to be filled and have dirt added with grass seed put down. Work continues on the nursery and Hosanna room. Check out the newsletter each month for more hi-lights.
- I was struck this past week as I went through some of my earlier notes regarding Connect. As Connect gathers weekly at 5:30 on Wednesdays in the Oasis room, part of the time is spent in conversation and teaching over a specific topic. Lately it has been the person of the Holy Spirit and how the Spirit interacts with our life. We have not only been challenged to see how the Spirit is working in the world, but also the simple fact that the Holy Spirit is actually at work here and now among us! For some of us who grew up with God the Father and/or Jesus being emphasized, it sometimes was pretty thin regarding the reality and role of the Holy Spirit. Yet as we come together in Connect and seek to be a vibrant people learning to be like Christ, the role of the Holy Spirit comes front and center! As I looked over my earlier notes, I was reminded of that fact. One of the graphics I had drawn out depicted the movement of God's Spirit as the basis for any effect the Church would have through Connect. The Spirit is the foundation. As I pray that Connect is led by the Spirit of God, I am also secure in the understanding that that same Spirit is working inside millions of people here and now who are searching for God and looking for a people to help them in that search. This is the awesome work of the Church and I am excited to see how Connect will be part of the way Living Waters seeks to reach those who are searching for the true source of life.
