We will take a look at the settings and people with whom Jesus broke bread, the conversation in which they engaged, and look at how such conversations apply to our lives. During the month of November, we will be having coffee and treats in the church lobby following worship. If you are interested in providing the treats, please contact Kris.

- Christmas offering—Throughout the season of Advent & Christmas we will be collecting new and clean, gently used coats for the Love INC Coat Closet. Bring your donations of coats, snow boots, snow pants, hats or mittens and help meet the needs of community children, adults and families.
- Volunteers are needed to lead Children's Church on Sunday mornings and provide meals for The Well on Wednesdays. Please sign up in the lobby.
- I love the example that Jesus told us about what it means to be in a place where we are fruitful and grow. John 15, in which Christ talks about the vine and branches, richly paints a picture of what life to the full can look like. What I find especially significant is the emphasis that Jesus puts on dwelling in/with God, as if there is something magical that becomes possible when we have that position secured every moment of every day. It highlights a value that can sometimes feel taken for granted and perhaps minimal; the ability to dwell. As our life blood clearly comes from the vitality of our "dwelling" in/with God, it affects our every ability to dwell fully with those Christ has surrounded us with. One of the areas we speak of often within Connect is the practice of being present and "dwelling" with God, His Word, and with one another. What vibrancy the Body of Christ has as we draw our life from the dwelling presence with Christ!
- The Helping Hand Pregnancy Center Boutique is in need of new (size 0-3 months) sleepers and outfits. Please bring to the church by the end of November.
