- From Brad: Sometimes we think of "evangelism" as something that a person needs to be trained in or qualified for. We feel unsure of "doing it right", hampered by some sort of internal criteria of the "right" way to tell someone else about something good in our life. This is a falsehood that Christians have fallen into. It binds us up when in reality there is no "formula" or "right way" when a person consults the Bible for direction. It is simply recognizing something good that is reality in your life ["I have a bumper crop of strawberries"] and telling someone close to you about it ["Hey neighbor, would you like some strawberries because I know you love them?"] Good news about Christ loving people as they are where they are is something we are able to freely share. It is good news in our life that God is for us...let's share it with the people we love as well!
- Annual Meeting hi-lights: Pastor Brad will move to 1/4 time to focus on Connect and the men's Tuesday morning Bible study. The 2024 budget was passed. The by-law on absentee members was voted on and passed. The 2024 Lead Team is made up of Carol Christopherson, Dan Fischer, Ron Hyvari, Deb Joens, Katie Kremer, Jeff Ling, Melanie Loy and Robin Redman.
